

Midwest were left with a greater appreciation of the area's rich past and a desire to learn even more. For decades, Arnold was a familiar figure in Fort Scott's countless tourism efforts and became one of the region's most recognizable and appreciated figures.

While the loss at Fort Scott National Historic Site will be significant, Arnold will continue his public service near Pleasanton, KS, as site administrator at Mine Creek Battlefield State Historic Site. He looks forward to the challenge of preserving, protecting and interpreting the site of the largest Civil War battle in Kansas and one of the largest cavalry engagements of the Civil War.

He will take with him rich memories of his earlier service at Harpers Ferry National Historic Park and the Blue Ridge Parkway in Virginia and North Carolina.

I welcome this opportunity to thank and congratulate Mr. Schofield on his retirement from over four decades of Federal service and extend to him our best wishes in his new position at Mine Creek Battlefield.●

HONORING THE ACCOMPLISHMENTS OF LEXINGTON CATHOLIC GIRLS' BASKETBALL TEAM

● Mr. BUNNING. Mr. President, I pay tribute and congratulate Lexington Catholic Girl's Basketball Team, the Lady Knights, who were recently ranked No. 3 in *ihigh.com*'s national ratings, and No. 5 in *USA Today*'s Super 25. The Lady Knights are currently undefeated within their region and will go on to next month to compete within the State for the State championship title. Their recent performance has given Kentucky reason to be proud.

Led by coach Greg Todd, the Ladies Knights are currently ranked No. 1 within their region with a record of 22 to 1. In doing so they have beaten the four highest-ranked regional teams in the Louisville Courier-Journal newspaper's Litkenhous Ratings by a combined 70 points.

I cannot think of a much better group of young people to represent Kentucky. As a former Major League Baseball player, I appreciate their athletic excellence. As a U.S. Senator from Kentucky, I appreciate the dignity with which they played.

I am proud to read the names of these teammates into the CONGRESSIONAL RECORD today. They are Adaeze Azubuike, Anaris Sickles, Briana Green, Keyla Snowden, Katie Scordo, Rebecca Rhule, Lauren Ramsey, Nikki Davis, Ktie Frueh, Chelsey Johnson, Kellie Cash, Natalie Novosel, Ashley Devers, Lesley Server, Elizabeth Elam, Shannon Novosel, and Katie Kissner.

The citizens of Kentucky should be proud of these young ladies. Their example of dedication and hard work

should be an inspiration to the entire State. I wish them continued success both on and off the basketball court.●

10TH ANNIVERSARY OF THE NASA/NORFOLK STATE UNIVERSITY PRE-SERVICE CONFERENCE

● Mr. ALLEN. Mr. President, I would like to recognize the outstanding growth and service of the NASA Langley Pre-Service Teacher Program. This year's national conference, which is being held this week from February 17 through 19, 2005, will mark the 10 year anniversary of this highly successful educational program.

The Pre-Service Teacher Program is a project run through the cooperation of NASA's Langley Office of Education and Norfolk State University's School of Science & Technology. Its mission is to provide Pre-Service teachers and faculty members opportunities to enhance their knowledge and skill in teaching mathematics and science using technology at the elementary and middle school levels.

Since its humble beginnings as a small regional conference held in Hampton, VA, in 1995, the Pre-Service Teacher Program has grown into a large national conference annually held in Alexandria, VA. The program began with only 25 member institutions representing 10 States and now boasts membership of over 104 institutions representing 31 States. It is important to recognize that of the 104 member institutions, there are representatives from Hispanic Serving Institutions, Tribal Colleges and Universities, and Historically Black Colleges and Universities.

The Pre-Service Teacher Program's continued growth led to the addition of a Pre-Service Teacher Institute in 1998. This 2-week long immersion program allows more pre-service teachers the opportunity to interface with NASA personnel, tour Langley's facilities, and learn ways to incorporate NASA's cutting-edge research into lesson plans for elementary and middle school students. As the success of this program has grown, the Pre-Service Teacher Program expanded in 2000 to seven sites beyond Hampton, VA, and, with time, I am sure it will continue to grow.

I congratulate the Pre-Service Teacher Program's tremendous growth and impact on Virginia classrooms and schools across the Nation. They are to be commended for their hard work and attention to our Nation's future: our children. I wish them continued success, keep fighting and keep succeeding.●

CONGRATULATING HENRY HERZING

Mr. COLEMAN. Mr. President, I rise to extend my congratulations to Henry

Herzing, founder and President of Herzing Colleges, for providing 40 years of progressive, career-focused education that has prepared a diverse student population to meet the needs of employers in technology, business, health care, design and public safety.

Since the first campus opened in Milwaukee, WI in 1965 as a computer programming school, Herzing College has grown to include six campuses in the U.S. along with other affiliated colleges, five of which are in Canada.

During these 40 years of expanding its campuses and diversifying its educational programs, Herzing College has also raised its level of credentials from diploma to associate of science, to most recently, Bachelor of Science degrees. In recent years, Herzing College has also brought its high-quality programs to the online environment to allow students in other locations to upgrade their career potential.

I congratulate Henry Herzing and all his faculty and staff for 40 years of "student-centered" education and urge him to continue to play an important role in the higher education community in the United States.

ECONOMIC REPORT OF THE PRESIDENT DATED FEBRUARY 2005 WITH THE ANNUAL REPORT OF THE COUNCIL OF ECONOMIC ADVISERS FOR 2005—PM 6

The Presiding Officer laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Joint Economic Committee:

To the Congress of the United States:

The United States is enjoying a robust economic expansion because of the good policies we have put in place and the strong efforts of America's workers and entrepreneurs. Four years ago, our economy was sliding into recession. The bursting of the high-tech bubble, revelations of corporate scandals, and terrorist attacks hurt our economy, leading to falling incomes and rising unemployment.
